

Hadoop 1: Assignment

Problem statement:

You work as a Big Data Engineer at GrapeVine Pvt. Ltd. Your company is organizing its Hadoop cluster in preparation for upcoming tasks. You have been assigned certain tasks for the fulfillment of this activity.

Tasks to be completed:

1. Create a directory in your cluster
2. Create three text files and upload them to the newly created directory in the Hadoop cluster
3. Download one of these text files to your local directory from the cluster
