Dashboards & Stories
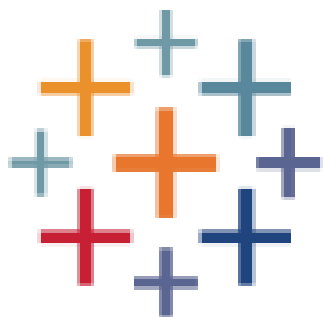

Assignment

1. Create a Customer Segmentation Dashboard using various graphs

2. Create a story to show customer and product analysis

Assignment

How to create Dashboards & Stories in Tableau?

CASE STUDY:

Mr.Sharma wants to analyze the sales and profit of the company's phone across all the states. Also he wants to propose the strategy to the CEO in the single layout with different interactive charts.

He also wants to represent the same in sequential order with more narrations.
